A cheerful spectacle of colours, magnificent palace gardens and artistic graphics: Namaste and welcome to India! Invite oriental flair and pure joie de vivre into your home with the new **Indian Style** collection.

In the palace garden of the Maharaja, you can discover not only artfully decorated magnificent buildings, but also enchanting animals such as peacocks, tigers and horses. Intricate ornaments reminiscent of the skilful art of Henna hand painting or highly artistic paisley patterns create a feel-good atmosphere. Likewise, fantastic colours combined with geometric graphics add eye-catching details second to none.

The collection is rounded out with a large selection of block-colour wallcoverings with a fabric-like texture. The colour palette ranges from cream white, antique pink and mint green to sun yellow and glacier blue and on to ocean green, pink and anthracite. Complemented by a host of other colours, the Indian Style collection, with its very special oriental charm, is bound to capture the imagination and fancy of every viewer.
